Re: Application for the position of **Full Stack Developer**

Dear Hiring Manager,

I would like to apply for the position of **Full Stack Developer** as Indeed. I gained extensive exposure to the required tools at UofT Coding Bootcamp, and I am sure that my skills will perfectly fit the advertised job requirements.

I am an Airforce Technician with 10+ years of exposure to supply chain data analytics and aircraft repair. Aircraft Technician experience combined with Full Stack Coding Bootcamp helps me better understand the client's needs and properly implement the desired product.

Please find my resume attached. Feel free to contact me if you have any further questions you would like to discuss.

Thank you for taking the time to consider my application. I look forward to hearing from you.

Sincerely,

Alexander Rahmanov
